**REQUEST FOR APPROVAL TO**  
**RE-ADOPT CURRENT CASELOAD ALLOCATION PLAN**

The judges of Marshall County have met and reviewed the 2011 weighted caseload statistics of the courts of record. This review reveals that the difference in utilization between the courts of record in 2011 is within the .40 variance permissible under Ind. Administrative Rule 1(E).

Accordingly, we have decided to re-adopt the local rules setting forth the caseload allocation plan. These local rules have previously been published for public comment as required by Trial Rule 81 and have been approved by the Supreme Court. We request that the Supreme Court approve the re-adoption of the current caseload allocation plan.
